

Our newly refurbished guest rooms offer comfort and style, at truly affordable prices. Each have flat screen TVs, Tea & Coffee making facilities and an en suite bathroom.

We offer 3 room styles: Budget, standard and superior. For those guests used to the "Lodge Inn" type of accommodation our rooms are not only more comfortable, but cheaper!

Following months of refurbishment at the Smithleigh Hotel, (formerly The New Country Inn), we proudly open our doors to guests old and new. With a brand new Fine Dining Restaurant, know as "Bistro 38", a new Coffee Lounge with free WiFi, and with over half of our rooms completely refurbished, we must now surely be one of the most comfortable and welcoming hotels in the West Country.

Still wholly family owned, our hallmark is naturally based on family values. For our guests, the place we would like you to stay, is a place you would be pleased to live. It is ideally located for business and pleasure alike. Easy access from the main A38, plenty of parking, and situated just a few miles from Dartmoor National Park in one direction, and many picturesque Devon beaches in the other.

Our newly opened "Bistro 38" offers affordable fine dining, catering for all tastes and all budgets. We source our produce locally, as some of the finest ingredients are right here on our own doorstep!

Our new lounge is an ideal place to relax, chat with friends or perhaps other visitors. We offer an excellent range of specialist Italian Coffees all made from freshly ground, roasted beans.
